

Frou-Frou Scarf

Each of these scarves took about 2 hours to knit – perfect for a last minute gift or if you're in the mood for a little bling!

Size

Approximately 4 inches wide, and as long as you want (or until you run out of yarn!)

Scarf

Each of the scarves above was knit with a ball of Bernat Boa and a ball of Lion Brand Fun Fur. Another version, not pictured, was knit with Boa and Paton's Cha Cha. Going clockwise from top left, the color combinations are: Blue Bird (Boa) with Sapphire (Fun Fur), Mocking Bird (B) with Citrus (FF), Phoenix (B) with Tangerine (FF), and Peacock (B) with Citrus (FF).

The Fun Fur had less yardage (60 yds/54 m) than the Boa (71 yds/65 m), and I wanted to maximize the length of the scarves, so here's what I did:

I cast ten stitches onto U.S. 13 needles and knit the first row using both strands (Boa and Fun Fur, or Boa and Cha Cha). I knit the next two rows with just the Boa, then the next two rows with both strands again. I alternated this way until I had just enough Boa to bind off with, and made sure I bound off with both strands. I wove the ends in across the entire base of the scarf and back again – they're not going anywhere!
